2026 Guide for the Baking & Milling Industries in South Africa

www.bakersa.co.za

Welcome to www.bakersa.co.za

Your News and Information Portal to the Professional Baking, Milling and Snack Industries

BakerSA offers clients an amazing platform on which to place adverts, suppliers listings and company profiles, giving companies the opportunity to showcase their company, products and services to the industry. (*See www.bakersa.co.za*)

BakerSA is a digital information portal and we publish a monthly electronic newsletter which is sent to subscribers – a digital notification with one-click links to relevant information. In addition to being "greener", this newsletter also allows us to reach more readers and provide our advertisers with more cost-effective options.

This site, with its monthly newsletter conveniently delivered to your inbox, brings you:

- Latest global news and developments;
- Updates on new innovations in equipment, ingredients and solutions, so you stay a step ahead;
- Local and international events and happenings, so you stay informed;
- Inspiration and tips with a range of tested recipes; and
- An updated list of suppliers to our industry, so you know who's who.

Do you have any company news, product news or event that you would like us to feature on BakerSA? We feature this at no cost. Please e-mail this info to **Rob Pansegrauw** at ***rob@bakersa.co.za***.

For more information, to advertise or to send us any news please contact:

The ***BakerSA Annual Buyers Guide*** has an online presence of one year and offers a useful listing of suppliers to their respective industries, sorted into categories.

The ***Buyers Guide*** will be featured on the ***BakerSA*** website with a link to a turn page magazine and gives clients the opportunity to showcase their company, products and services to the industry with adverts and listings

The main purpose of the directory is to assist industry players with a ready reference for sourcing appropriate ingredients, flavourings, colourings, equipment, refrigeration, food safety, management systems and associated services as well as packaging solutions across the variety of material types from the appropriate suppliers.

The ***Baker SA Annual Buyers Guide*** can also be accessed on the ***www.bakersa.co.za*** website, giving advertisers additional digital exposure for a whole year. The editions will be published in March each year and suppliers are invited to submit or update their listings.

The dedicated ***BAKER SA*** team, which has been at your service in the Baking, Milling and Snack industries since 1996, is the driving force behind the ***BAKER SA*** website and its monthly Newsletters.

With our vast experience in the Baking, Milling and Snack industries with both printed and electronic media , we will continue to supply the industry with the latest news, developments and innovations from South Africa and the World, as well as offer a digital platform from which to showcase your Company, Brand, Product or Service.

Please see our website ***www.bakersa.co.za*** the information and news portal for the Baking, Milling and Snack industries.
